# Nn

A tracing guide for the lowercase letter 'n' on a three-line handwriting grid. The letter is shown in solid black with a dashed outline. A small number '1' and a downward arrow indicate the starting point and direction of the first stroke, which curves forward and then pulls down.A tracing guide for the uppercase letter 'N' on a three-line handwriting grid. The letter is shown in solid black with a dashed outline. A small number '1' and a downward arrow indicate the first stroke, and a small number '2' and an upward arrow indicate the second stroke, which slants right and then pulls up.

## Teacher Modeling:

- Lowercase *n*. **Say:** A lowercase *n* is pull down, push up, curve forward, pull down. Match the timing of your speech with the action of modeling the letter formation. Have students trace and write the letter 10 times.
- Uppercase *N*. **Say:** An uppercase *N* is pull down, lift, slant right, push up. Match the timing of your speech with the action of modeling the letter formation. Have students trace and write the letter 10 times.
